

All tuition levels co-operate in the morning.

For the discounted tuition, parents must perform a minimum of 12 work hours over the year. The non-discounted tuition relieves the family of the work hour component. Regardless of fees charged, all parents "co-op" in the classrooms during the morning classes on a rotating basis.

Registration Fees Per Program (effective 9/2010)

Morning + Lunch	8:30-1:00	\$	180
